

# ISMAAR 2020 - Copenhagen, 22 Feb

## SYMPOSIUM ON MILD APPROACHES IN ASSISTED REPRODUCTION

At the Conference Centre, Tivoli Hotel, Copenhagen, Denmark

**ISMAAR**  
International Society  
for Mild Approaches  
in Assisted Reproduction

**REGISTER TODAY**

We'd like to invite you and members of your team to attend the ISMAAR symposium in Copenhagen.

In order to help trainees we have a special student/trainee fee of **£75** for the symposium.

FEB 2020

**22**

**REGISTER**

The faculty have provided an excellent scientific programme, focusing on the physiological and affordable approaches in assisted reproduction as its key topics. The event covers **topics including:**

- Oocyte quality vs. quantity  
**Pasquale Patrizio - USA**
- The source of oocytes for infertility treatment  
**RC Chian - China**
- An update on mild ovarian stimulation for IVF  
**Geeta Nargund - UK**
- Is there a place for long downregulation in IVF protocols?  
**Rene Frydman - France**
- Is "freeze-all embryos" the future for all?  
**Abha Maheshwari - UK**
- The effect of ovarian stimulation on endometrium  
**TBC**
- The role of advanced ultrasound technology in optimising IVF outcomes  
**Prof. Stuart Campbell - UK**
- How can we minimise the complications of egg collection procedure?  
**Svend Lindenberg - Denmark**
- Long-term follow up of women and children following IVF treatment  
**Anja Pinborg - Denmark (TBC)**

In addition, the day will offer the chance for delegates to interact and connect with national and international experts and debate the key issues. This is what makes the ISMAAR symposium a unique and truly multidisciplinary opportunity.

For full details of the programme and list of speakers, please view the [symposium main programme](#).

We look forward to welcoming you to the symposium in February.
